Bryson McQuirter Annual Golf Tournament Report

June 4, 2019 @ Brooklea Golf Course

This year's tournament saw a decrease in revenues due to the weather and torrential all day rain. There were less players, resulting in less passports & raffle tickets sold & overall less hole & cart sponsors which also hurt revenues.

On the plus side, players still had a great time, enjoyed the evening meal, raffle prizes, \$50 gift card to the Boathouse Eatery & a big thank you to Alan Condren & his committee who organized everything. Also thanks to Brooklea who provided a Rainy Day coupon to all players to come & enjoy the course on a sunny day for a round on them!

Next year's tournament is June 2, 2020 so get ready to play !

International Report

Past President Tim Dunlop attended the Y's Men Regional Conference in Ottawa in August on our club's behalf & reported that there is a number of great regional & international programs going on around the world but the focus is to increase new members & youth membership. Our club is envied by many others for our ability to promote our activities through social media. The next International Conference will be in Denmark in 2020 and Y's Men International will be making special celebrations in 2022 as that is Y's Men International's 100th Year Anniversary.
